LEADERSHIP DEVELOPMENT AND DISCIPLESHIP

## ABOUT US

Timothy School of Ministry (TSM) is the official Training and Development arm of the Church of God of Prophecy in the UK. The school delivers courses designed to promote the personal development and learning of new and experienced Christians and Christian leaders, who are keen to realise their potential and develop their service within the Kingdom of God.

Courses offered aim to meet the needs of a broad range of ministries in leadership, counselling, teaching, pastoral, and other areas. Courses are offered on a flexible, part-time basis to accommodate those with personal circumstances that will not allow for full-time study.

Richard A Trotman  
Principal

## SERVING THE WHOLE CHURCH

The school is open to the whole church body irrespective of age and academic background. We provide courses particularly geared for youth development or other specialised areas of ministry. Staff are available for consultation to assist those who wish to plot their own development path.

Steve Johnson  
Vice Principal

## LEADERSHIP ACADEMY

TSM provides a range of workshops to equip those in leadership roles or who feel a call to lead. These include effective governance, practical ministries, pastoral counselling and kingdom leadership. These workshops are designed to help leaders maximise the impact of their ministry.

Deseta Davis  
Vice Principal

We believe you will be positively challenged and impacted by our leadership academy team of national and international tutors, guest presenters, and by the shared experiences of delegates.

## MISSION EXPERIENCE SCHOOL

For those interested in missionary work in the UK or abroad, we will be holding a Mission Experience School (MES) retreat at Kings Park Conference Centre, Northampton on the 26<sup>th</sup> to 28<sup>th</sup> November 2021.

Venetta Shaw  
MES Director

During the weekend workshop we will run sessions for beginners, and Advanced MES for those seeking further development. Register via Eventbrite. Contact email: [mission.experience.school@gmail.com](mailto:mission.experience.school@gmail.com)
